## **Featured Events at the Show**

In addition to a wide variety of exhibits, the Tulsa Farm Show will host several exciting events and attractions. One of the highlights is Craig Cameron, renowned natural horsemanship trainer, who will present daily horsemanship seminars and engage with attendees throughout the show. Cameron's interactive demonstrations have been a popular feature of the show for 29 years. Country singer, Rusty Rierson, will also be performing daily acoustic music sets during the show.

For cattle producers, livestock management will be a central focus of the event. Attendees can watch live demonstrations of ten different brands of cattle chutes, moderated by experienced livestock industry professionals. These demonstrations will take place twice daily in the southwest corner of the SageNet Center, near the Behlen Country exhibit.

## **Daily Prize Drawings**

Prize drawings are always a favorite at the Tulsa Farm Show. A \$1000 Showbucks drawing will be held at 1:00pm each day, sponsored by Can-Am. Attendees can register at the Can-Am exhibit, and the winner must be present to win. Showbucks can be used as currency to purchase products and services from any exhibitor.

Additionally, Stewart Martin Equipment, a long-time exhibitor and sponsor, will give away a new Kubota lawn mower and trailer package. Attendees can register for this prize at the Stewart Martin exhibit throughout the show. The winner will be announced live on Big Country 99.5 radio.
